Personalized Player Cards!

CAMP DESCRIPTION

The Shawnee Mission East Boys' Basketball staff is excited to challenge young players dedicated to improving their basketball skills. We want to provide a positive experience and send each boy home a better individual and team player.

High School Camp

This camp will include individualized instruction and supervised team play. Special "break-down" sessions will help both post and perimeter players develop the specific skills required for each position. Every athlete will leave the camp with individual workouts to help them develop both their ball-handling and shooting skills. Significant time will be devoted to "5 on 5" competition.

1st-8th Grade Camp

The focus of this camp will be the same as the high school camp. However, this camp will also be a basic introduction to the Lancer Basketball Program. Former Lancer players will share their thoughts on how to succeed in high school basketball.

These camps will feature a strong emphasis on developing the basic fundamentals of basketball which are essential to becoming a successful individual and team player.

Your player will be captured on digital trading cards. Each player will receive two trading cards with their picture and their stats, along with a Lancer Camp **DRI-FIT shirt**.
